

## DISPLAYER FOR STRAIN GAUGES IN FULL BRIDGE

---

---

### Experimental capabilities

---

---

- **Strain gauges connection**
- **Measures of micro deformations relating for the gauges with mounting full-bridge**

# SAM010

## Illustrations

## Technical details

- LCD display
- Quick connector for strain gauges / output wire
- 1 measurement channel
- Power supply 230Vac-50Hz
- Compatible with the equipment of the range DIDATEC integrating strain gauges
